Orientation Program Spring Semester 2014

Members of the Board of Trustees, Vice Chancellor and Treasurer at the dais in the orientation program

The orientation program of the newly admitted students for Spring Semester 2014 in different graduate programs of Prime University was held at the University Campus, Mirpur-01 on February 07, 2014.

Mr. Anwar Kamal Pasha, Senior Vice Chairman, Board of Trustees, Prime University graced the Orientation Program as Chief Guest while Professor Dr. Profulla Chandra Sarker, Vice Chancellor of the University was the Program Chair.

Among others, Mr. Mir Shahabuddin, Member, Board of

Trustees, Prime University, Mr. Md. Ashraf Ali, Member, Board of Trustees, Prime University, Professor Mohammad Arshad Ali, Treasurer, Prime University, Professor Md. Rashidul Islam, the then Registrar, Prime University, Professor Dr. Md. Sanaullah, Controller of examinations, Prime University, Chairmen and Faculty Members of different departments of the university attended the ceremony.

About 500 students who enrolled in the Spring Semester-2014 for different undergraduate and graduate programs attended the

occasion with great enthusiasm and got introduced with the teachers, course curriculum of the respective programs, code of conducts, norms, and different facilities available in the university.

Professor Md. Rashidul Islam made the welcome address to the freshers and discussed the rules and regulations of the university.

Professor M. Arshad Ali urged the students to concentrate on regular academic activities as well as extra-curricular activities. He also instructed the students to develop them by utilizing the available resources and facilities of the university. Mr. Mir Shahabuddin in his speech stressed the needs for modern and quality education, and urged upon the students to

prepare them through perseverance keeping the institutional glory intact. Mr. Md. Ashraf Ali assured the students to provide all sorts of modern facilities so that they can make themselves very competent and knowledgeable to face the global competition.

The chief guest of the program Mr. Anwar Kamal Pasha expressed his commitment to provide all sorts of facilities to the students in order to help them prepare to meet the challenge of the 21st century. He also urged upon the students to establish the name of the university in the world. Besides, he articulated here that the permanent campus of the university will be built in 114/116 Mazar Road, Mirpur - 01, Dhaka-1216 very soon by ensuring

all types of modern and academic amenities in the campus.

The Program Chairperson of the ceremony, Professor Dr. Profulla Chandra Sarker, in his speech said university is a platform for cultivating, exchanging and creating knowledge. Research is very important for higher education and as a result research and education must go together in order to improve as well as enhance quality education. He advised the freshers to build up themselves for the competitive world and establish the name of Prime University as a renowned institution of the world. He also told all about his initiatives for linking Prime University with the reputed foreign universities for achieving academic excellence.

International Mother Tongue Day Observed

Vice Chancellor, Registrar, Chairmen of different departments along with faculty members and students on their way to placing floral wreath

21st February is a day of national mourning and rededication. It is the Language Martyr's Day. On this day in 1952, Barkat, Rafiq, Shafiur, Jabbar, Salam and many others sacrificed their young precious lives for the honour and preservation of mother tongue, Bangla. It is the first milestone that marked the sowing of the seeds of our War of Independence of 1971.

21 st February is not only the Bangla Language Martyr's Day in Bangladesh, but also it is being observed as

International Mother Language Day across the globe recognizing the heroic sacrifice for the mother language.

Prime University observed the day as Shaheed Dibash and International Mother Language Day commemorating the supreme sacrifice of the valiant sons of the soil who fought for establishing

rights of the mother tongue in 1952.

On this day the language martyrs and their contributions were remembered with utmost respect and honour and tributes were paid to them by placing floral wreath at the Memorial. A discussion programme was held at Prime University permanent campus

premises at 114/ 116, Mazar Road, Mirpur-1 where the speakers shared their opinions and recalled the contributions of the martyrs.

Vice-Chancellor Prof. Dr. P.C. Sarker presided over the programme while the Treasurer, Registrar, Chairmen of different departments, teachers, staffs and students took part.

Prime University Joined in to Make Record on Singing National Anthem

Vice Chancellor and Treasurer along with faculty members executives and students of Prime University waiting in front of the campus to join in to make record

On March 26, Bangladesh has been listed in the Guinness World Record for singing the national anthem by 2, 54,537 people at the National Parade Ground on her 43rd Independence Day. It was organized by the Ministry of Cultural Affairs, Government of the People's Republic of Bangladesh. Prime University has become the part of this grand occasion. As the clock struck 11:20 am, a large group of students of Prime University joined the event by singing "Amar Shonar Bangla-Ami Tomay Bhalobashi"

in front of the university campus. The honorable Vice-Chancellor, Treasurer, Registrar, Teachers of different faculties, officers, staffs

and students were present on that occasion to express solidarity. We feel very proud to be a part of that memorable event.

Prime University Debate Team's Glorious Achievement

Prime University's debate club Prime University Debating Society (PUDS) is one of the rapidly progressing debate clubs in the country. The students and debaters of the University are moving forward through manifold activities ensuring the development of their skills to face the challenges of the twenty first century. Through the cordial support of the authority, the debate club regularly organizes national debate competitions and debate festivals in the campus for

utmost competence of their debaters. Prime University debate team's dynamic debaters participated in TIB (Transparency International Bangladesh) Barwari (Free Speech) and parliamentary Debate Competition hosted at Bangla Academy Auditorium and brought a remarkable achievement. In the competition, there were 121 participants from different public and private universities and only 24 participants were selected for the second round. Among those 24 participants, two debaters were

selected from Prime University. This is noteworthy that the achievement is really prestigious because among the selected debaters only two were from any private university and they were from Prime University Debating Society. They are Syeda Lofna Akter (English) and Sabrina Islam (Law). The participants made a significant mark in the competition through their irrefutable logic and argument. Their glorious achievement is the result of great team work and coordination of the debaters and mentors of the club.

PU Cricket Team Glazed in the Clemon Indoor Uni Cricket-2014

Prime University Cricket Team

Thank you for participating at
CLEMON INDOOR UNI CRICKET 2014

CLEMON INDOOR UNI CRICKET

CLEMON Freshness

Indoor Stadium, Mirpur from April 10, 2014 to April 17, 2014. All the matches of the tournament were telecast live in GAZI TV. Prime University Cricket Team played against BGMEA, Asian University, ASA University and Stamford University under the Group-E. Prime University Cricket Team showed their cricket talents and won three matches out of four against BGMEA, Asian and ASA University.

In the first match, Prime University Cricket Team beat BGMEA University by 5 wickets. BGMEA Cricket Team scored 142 runs for 6 wickets and Prime University easily reached the target with 5 wickets remaining and 15 balls still to be played.

The Prime University Cricket Team participated for the first time in the second edition of Clemon Indoor Uni Cricket

-2014 along with other forty public and private universities held in the Shaheed Sohrawardi National

The captain of Prime University Cricket Team, S.K. Riaz, was man of the match for his outstanding batting performance. He scored 53 runs just from 14 balls.

In the second match, Prime University Cricket Team also kept the winning race by beating Asian University by 4 wickets. Asian University Cricket Team was all out for 86 runs and Prime University easily reached the target with the brilliant knock of 55 runs just from 12 balls by the dashing batsman and wicket keeper Imran Hossain Rony with 4 wickets and 20 balls in the hand.

Imran Hossain Rony was announced as the man of the match for his brilliant and entertaining knock.

In the third match, Prime University Cricket Team was unexpectedly defeated by Stamford University by 4 wickets.

In the last group match, Prime University Cricket Team got back again in the winning race by beating ASA University by 4 wickets. The bowlers of PU Cricket Team confined ASA University only for 120 runs for 6 wickets and Prime University easily reached

the target with 4 wickets and 17 balls remaining. The strike and opening bowler Zihad Hossain collapsed the ASA University batting line by taking 3 main wickets for only 4 runs. He was the man of the match for his match winning bowling performance.

Prime University authority, management and all other stakeholders congratulate and thank the Prime University Cricket Team for their memorable performances, victories and successes in the tournament.

Different Seminars and Workshops Held in Prime University

Seminar on 'Sundarbans and Environment'

A seminar entitled "Sundarbans and Environment" was held at Prime University on 4th March, 2014. Prof. Dr. Profulla C. Sarker, Vice Chancellor of the University chaired the session. The key speaker was Dr. Anurag Danda, Head, Climate Change and Adaptation and Sundarbans Programme, WWF (World Wide Fund for Nature), India.

Speaker of the Seminar, Dr. Anurag Danda giving his valuable speech

The speaker in his speech emphasized the issues of conserving the endangered species and the ecosystem of the Sundarbans. The Chairperson of the seminar expressed his views that there should be joint effort between Bangladesh and India to protect the Sundarbans in the greater interest of the people of this region.

Seminar on 'The Present Challenges of the Scientific World'

Speaker of the seminar, Prof. Dr. M. Ali Asgar presenting his paper (left) and receiving crest from the Chief Guest in presence of the Vice Chancellor (right)

A seminar on "The Present Challenges of the Scientific World" was held on 18th March, 2014 at Prime University. Prof. Dr. Profulla C. Sarker, Vice Chancellor of the University chaired the session while the same was graced by Mr. Ashfaq U. Chowdhury, Chairman, Board of Trustees, Prime University as the Chief Guest. The Speaker, Prof. Dr.

M. Ali Asgar of Bangladesh University of Engineering and Technology (BUET) presented a unique picture embodied with current information regarding challenges of science and technology followed by possible ways to incorporate those in our life. The Chief Guest, Mr. Ashfaq U. Chowdhury emphasized the need for implementation of

technology to increase the productivity in all spheres of life. The Chairperson of the the seminar expressed his deep concern over the problem of population explosion in Bangladesh and the possible challenges of science and technology and suggested some means of overcoming those problems.

Seminar on 'Research and Co-curricular Activities of Engineering Students in Bangladesh'

A seminar entitled "Research and co-curricular activities of Engineering students in Bangladesh" was held on 6th May, 2014 at Prime University. Prof. Dr. Profulla C. Sarker, Vice Chancellor of the University was chairing the

session while the same was graced by Mr. Ashfaq U. Chowdhury, honorable Chairman, Board of Trustees, Prime University as the Chief Guest. The session started with the welcome speech of Prof. Dr. Abu Saleh Abdun Noor,

Chairman of the Department of CSE and ETE, Prime University. The Speaker, Prof. Dr. M. Kaykobad of Bangladesh University of Engineering and Technology (BUET), introduced

Speaker of the seminar, Dr. M. Kaykobad presenting his paper (left) and receiving crest from the Chief Guest in presence of the Vice Chancellor (right)

the audience with computer programming and its power to solve real life problems. For the development of the country, he emphasized leveraging the infinite energy of our young people. He laid importance to

do research on various fields to enhance the knowledge and intelligence of our students. The Chief Guest, Mr. Ashfaq U. Chowdhury, focused on the impacts of computer on present civilization. The Chairperson of

the seminar spoke of the application of mathematics and ethics in any discipline. He also advised students to spend their valuable time to do research in their respective fields of interest.

Seminar on 'Research Methodology'

The speaker Dr. Shailendra Sinha delivering speech at the seminar

A seminar on Research Methodology was held at the conference room of Prime University. The seminar was organized by Centre for Research, HRD and Publications, Prime University. The Vice Chancellor of the University, Prof. Dr. Profulla Chandra Sarker chaired the seminar while the key speaker was Dr. Shailendra Sinha, Department of Anthropology, Ranchi University, Jharkhand, India. The Vice Chancellor of

Atish Dipankar University of Science and Technology and Treasurer, Board of Trustees, Prime University Trust, Prof. Dr. M. Abul Hossain Sikder was the chief guest of the seminar. The seminar covered a broad range of issues including comparative and theoretical approaches to research and research methods. The key-note speaker Dr. Shailendra Sinha said research is a dynamic process. Its objectives are to gain and contribute to the existing

knowledge. The chief guest of the seminar, Prof. Dr. Abul Hossain Sikder also focused on the value of research for the development of university faculties for their advanced studies. While delivering the presidential address, Prof. Dr. Profulla Chandra Sarker emphasised that research should be based upon an operational methodology. The operational methodology is split in quantitative and qualitative approaches. He said that methodology plays an important role in the contribution of research to new knowledge. The Treasurer of the University, Prof. Mohammad Arshad Ali, the then Registrar Prof. Md. Rashidul Islam, Controller of Examinations Prof. Dr. Md. Sanaullah, Chairmen of different departments along with the faculties of the University were present in the seminar.

Workshop on 'Web Development and Networking'

A workshop entitled "Web Development and Networking" was held on 17th April, 2014 at Prime University. The event was organized jointly by Faculty of Engineering, Prime University and Nexus IT Zone. Prof. Dr. Profulla C. Sarker, Vice Chancellor of the University, chaired the session. Prof. Dr. Abu Saleh Abdun Noor, Chairman of the department of CSE and ETE was the Co-ordinator of the session. Md. Zahidul Islam, Chairman of Nexus IT Zone, was the chief guest of the workshop. At the beginning of the program, Prof. Dr. Abu Saleh Abdun Noor welcomed everyone to the workshop in his welcome speech. Prof. Dr. Profulla C. Sarker emphasized the importance of such workshops and wished success of the program.

A student receiving certificate at the end of the workshop from the Chairman of the dept. of ETE and CSE

and development. The trainers trained participants how to work with HTML and CSS using modern IDEs and introduced them with some responsive web designing techniques. It was followed by a Q & A session on the Web

today's ever growing enterprises was given. Later, participants were given a demonstration on networking and introduction to the CCNA certification course contents followed by another Q & A session.

Vice Chancellor Dr. Profulla C. Sarker addressing the participants at the workshop

emphasized the importance of such workshop for the betterment of the students and wished success of the program.

The eventful program was divided into two parts. The first part was the discussion session. The second part included audio-visual presentation comprising the activities and achievements of PUDS so far. Mafin Muntasir Rahman focused on "Life and Debate", Md. Jahidul Azad focused on "Debate and Career" and Shuvodip Das in his presentation clarified "Rules and Regulations of Debating" in the session.

Prime University Picnic: A Pleasant Parade

Like yester years, students, faculties and staffs of Prime University had a grand day as they enjoyed a picnic on February 26, 2014. It was spring semester, 2014. Nature lavishly furnished soothing fervor. Everybody in the university was enthusiastic to have a gala day for savoring a temporary relief from the routine activity. The spot was selected and finalized earlier. It was Shohag Polli in Gazipur, a popular picnic spot surrounded by trees and known for its natural beauty. The students with the guidance of teachers of every department started their journey early in the morning. The day was sunny enough to feel the freshness of the

BOT Chairman, Members BOT, Vice Chancellor, Treasurer, Chairmen of different departments, Controller of Examinations, faculty members, executives along with spouses of V.C. and BOT members at the picnic spot

time. The short journey for the spot was teeming with the tidings of youth. When the students reached there, they found it quite relaxing as well. The view was

truly breathtaking. The students and the faculty members were very happy to get Mr. Ashfaq U Chowdhury Chairman, Board of Trustees, Mr. Md. Ashraf Ali and

Mir Shahabuddin, Members of the Board of Trustees, Prof. Dr. P. C. Sarker, Vice Chancellor, Prof. Mohammad Arshad Ali, Treasurer among them. The happy happenings had healthy and heavenly touch on every face.

Just after entering the arena, everybody started roaming around in groups. All were taking snaps here and there to keep the memory alive. A cricket match was also arranged where along with the students, teachers also had their participation. There was also an arrangement for refreshment and lunch for all. A short cultural program followed. All were entertained with songs, dances, fashion show presented and performed by the students of the different departments. At the end, the events like pillow passing, raffle draw gave much pleasure. This picnic will remain a good memory and a nice experience for all till the next picnic comes with a new facet.

A cultural program titled “Surey Chondey Barshobaron-1421” was held in Prime University to welcome Bangla New Year-1421 on 15th April, 2014 in the ground floor of the university premises. The students from different departments of the university performed in different segments

Celebration of Pahela Baishakh

Chairman, BOT, Mr. Ashfaq U. Chowdhury addressing the audience

of the program. The program was enriched with rendering songs, duet and group dances as well as jokes through dance. The function was graced by the Chairman of the Board of Trustees (BOT) Ashfaq U. Chowdhury, members of the BOT Md. Ashraf Ali and Mir Shahabuddin along with Vice Chancellor Prof. Dr. Profulla Chandra Sarker, Treasure Prof. Mohammad Arshad Ali, the then Registrar Prof. Md. Rashidul Islam and faculty members of all the departments. A short discussion preceded the cultural segment.

In his speech, BOT member Mir Shahabuddin expressed satisfaction over the arrangement and stressed the need for assistance from all corners to conduct the program maintaining discipline. Mr. Ashraf Ali in his speech

expressed his interest for the function.

The Chairman of the BOT in his instructive speech highlighted the history of the celebration of Pahela Baishakh. He underscored the need for learning the teachings emanating from the traditional festivals. Then the cultural program began with pageants presented by different departments. The audience welcomed them with claps. Then all the performers came on to the stage to sing the most favorite Tagore song for the occasion, "Esho Hey Baishakh, Esho Esho". This was followed by another song and it was the only performance on behalf of the teachers. Then came the other performances one after another. The performances were equally attractive and enjoyable. In-between, there was a break for Magrib prayer. The program began again with a renewed

fervor and continued till 7 p.m. In the final part, the enthusiastic students were invited on the stage to perform in group. The

performance created a unique sensation among the whole audience. The program ended with thanks giving from the university

authority with hope to arrange even better programs in the university campus on different occasions in coming days.

Students of EEE Department Went on Study Tour

Study tour is an essential part of the study of engineering. Students get their opportunity to visualize the knowledge they have gathered from their text books. In fact, it helps them to differentiate between the practical scenarios and bookish knowledge.

The Department of Electrical & Electronic Engineering arranged a study tour for the students of both 25th and 26th batches at Ashuganj Power Station Company Limited on May 3, 2014. Ashuganj Power Station is the second largest power station in Bangladesh. The present total power (electricity) generation capacity of its 9 units is 777 MW. As a part of the Power Sector Development and Reform Program of the Government of Bangladesh (GOB), Ashuganj Power Station Company Ltd. (APSCL) has been incorporated under the Companies Act, 1994 on 28 June 2000.

The tour was arranged to make the students familiar with the power system of Bangladesh especially the Power Generation and Transmission sectors. It provided a

golden opportunity to the students to watch the whole power generation techniques and necessary equipments used in this process. Moreover, they visited the control rooms from where the authorized persons control the total generation process. Students also visited the control room used for power transmission. There they learned how to manage loads. Actually the students did realize why load shedding happens in our daily life and the way to do that. Besides, the Single Line Diagrams helped the students understand

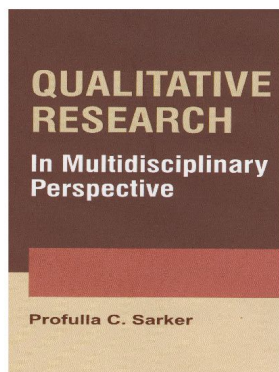

the transmission techniques properly. There were three engineers of Ashuganj Power Station Company Limited with the students to guide them. They described everything to the students clearly. In addition, they answered different questions asked by the students. Students paid their attention to the words of their guides and noted down the important points. On the return journey the students spent some time at Bhairab Bridge. Indeed it was a day full of learning as well as joy for the students.

The students at the power plant station

‘Qualitative Research In Multidisciplinary Perspective’ Published

The book entitled ‘Qualitative Research in Multidisciplinary Perspective’ is published by the Center for Research, HRD and Publications, Prime University on June, 2014. Professor Dr. Profulla C. Sarker, the Vice Chancellor of Prime University is the author of this book. This book is specially designed to provide knowledge on the concept of research, scope of research and different types of research including approaches to research in geo-social settings and ethical issues related to different types of research specially for collecting information. This volume also discusses ways of writing a research project proposal citing example and using different methods and techniques to conduct research project as well as to collect data. The author carefully discusses the different types of sampling and suitability of particular type of sampling for a particular type of research for the selection of the study population and at the same time for the selection of the study area. This volume focuses the different types of

qualitative research methods and techniques applied to conduct in-depth studies along with their limitations. Moreover, qualitative vs. quantitative research and their strengths and weaknesses, data analysis methods and techniques, writing research report, drawing conclusions and policy implications along with the guide line of using reference have been included in this volume. The volume of Qualitative Research in Multidisciplinary Perspective will be able to contribute to the

knowledge of academics, researchers, administrators, practitioners and the students of social sciences which cover Anthropology, Sociology, Social Work, Economics, Political Science, Public Administration, International Relations, Peace Studies, Gender Studies, Development Studies, Demography, Criminology and Gerontology, in particular, but in general this volume will help to conduct research in the discipline of Law, Business Studies, Education and Public Health.

The 7th Teachers’ Training Program Inaugurated

From Left to right: Professor Md. Rashidul Islam (former Registrar), Professor Dr. Profulla C. Sarker (Vice Chancellor), Mir Shahabuddin (Member, BOT) and Professor Mohammad Arshad Ali (Treasurer)

The 7th Teachers’ Training Program organized by the Centre for Research, HRD and Publications of Prime University has started. The inauguration of the program was held on the 11th May, 2014. Mir Shahabuddin, Member, Board of Trustees graced the program as chief guest while Prof. Dr. Profulla Chandra Sarker, Vice Chancellor of the University was the Chairperson. Twenty eight Lecturers and Junior Lecturers of

different departments have been taking part in the training program. There are twenty five sessions in the program including six presentations of the trainee teachers. At the end of the program, the successful faculty members will be awarded certificates. The program is designed to provide the fresh faculty members the guidance to develop skill and qualities of an able university teacher.

Celebration of Rag Day

Outgoing students of BBA department along with Vice Chancellor, Treasurer, Registrar and Chairman (left); Vice Chancellor, Chairmen and a Faculty Member at the dais on the farewell ceremony of EEE department (middle); students performing on stage on the farewell ceremony of Law department (right)

Rag day plays a vital role in the life of a student. As an outgoing student, the day may bring sadness to him. On the other hand, he prepares himself to step outside the class room for the first time to create a place of his own in this world with his knowledge and work. Department of Electrical & Electronic Engineering, Department of Business Administration and Department of Law celebrated rag day to bid their course completiny students farewell.

The outgoing students of the Electrical & Electronic Engineering department, students of 22nd and 23rd batches, celebrated the day with a festive mood on May 6, 2014. EEE Association organized a program to bid farewell to the outgoing students of the department. On the eve of celebration, students decorated the department with balloons, festoons and colored papers.

The formal program began at noon. The Vice-Chancellor Professor Dr. Profulla Chandra Sarker, was the chief guest of the program while the Chairman, EEE, Engr. Diponkar Paul and the Chairman, Electronics and Telecommunication Engineering and Computer Science and Engineering, Professor Dr. Abu Saleh Abdur Noor were the special guests. Honorable guests listened to the feelings expressed by the outgoing students. They also made their speeches in such a way that the students might benefit in their future life. Thereafter the chief guest and special guests handed over the crests and flowers to the outgoing students. All the teachers of the Faculty of Engineering and other students of the faculty enjoyed the program. Finally the prize distribution ceremony of the cricket tournament "Engineering Premier League - 2013" took place.

Department of Business Administration celebrated the rag day on May 7, 2014. The program was inaugurated by Professor Dr. Profulla Chandra Sarker, Vice-Chancellor at 10:00 am. The Treasurer, Registrar Prime University and the Chairman along with other faculty members of the department were also present there. Students brought out a rally from the campus led by the Vice-Chancellor, Treasurer, Registrar and the Chairman.

Discussion meeting started from 2 pm at the university premises. Professor Dr. Siraj Uddin Ahmed, Chairman, Department of Business Administration presided over the program. The Vice-Chancellor, Professor Dr. Profulla Chandra Sarker, was the chief guest of the program. Prof. M. Arshad Ali, the Treasurer, Prof. Md. Rashidul Islam, the then Registrar, Prof. Dr. Md. Sanaullah, Controller of Examinations and Mr. Eman Hossain, Assistant Professor and Proctor, Prime University also

attended the program as special guests.

Finally the students organized a delightful cultural program consisting of drama, dances, songs and other enchanting performances.

Students of the Department of Law also celebrated the rag day on May 12, 2014. They bade farewell to the outgoing students of 24th batch. They organized Freshers' Reception of 34th and 35th batches as well.

The main program began at afternoon. All the faculty members of the department and the students of other batches attended the program as guests. Prof. Dr. M. Rabiul Hossain, the Chairman of the department was the chairperson. But Ms. Sabina Yasmin, Senior Lecturer, Dept. of Law, presided over the program on behalf of the Chairman as he was absent at that time owing to illness. The Vice-Chancellor of the

University, Professor Dr. Profulla Chandra Sarker was the chief guest. The Treasurer Professor M. Arshad Ali and the Controller of Examinations Prof. Dr. Md. Sanaullah also attended the program and delivered their valuable speeches to the students on the occasion.

At the end of the program, students of the department arranged a colourful cultural program. They played a short length drama. Their songs, dances and fashion show fascinated the guests.

Prime University Language School Welcomes the Students of 18th Batch

BOT member Mir Shahabuddin, Vice Chancellor, Treasurer and Chairman, Department of English on a visit to the Language School class room

Prim e University Language School, an institution of excellence in learning English language through entertainment and involvement in different activities in the classroom, has been running under the supervision of the Department of

English to enhance the English skills of the students especially those who are newly enrolled in the University in different departments. The school has successfully completed the course of 17th batch and welcomed the students of 18th

batch. The journey of the school started in 2007. The School has been contributing with its brilliance to the development of English skills of the students since the beginning. The four month long course of the school, containing more than sixty classes,

generally starts at the beginning of each semester of the University and ends just before the semester final examination. A batch is usually divided into two sections for the better interactive teaching between the teachers

and the students or among the students. After the successful completion of each batch, every successful student is awarded a certificate of proficiency which will help them in achieving a better professional life. The

concerned personnel of the school believe that it is marching through the right track and with the continuation of the same it will surely enhance the competence of the students in English language.

New Faculty Members Joined The University

Primé University is always in search for talented teachers to provide the students quality education. In the Spring Semester 2014, seven teachers were appointed in different departments of the University. Mr. Nishith Ranjan Biswas joined the Department of Law as Lecturer while Mr. Biduth

Kumar Dutta the Department of English as Junior Lecturer. In the Faculties of Engineering and Information Technology, five teachers joined in this semester as Junior Lecturer. Of them Mr. Dip John Mitra joined the Department of Electronics and Telecommunication Engineering; Ms. Rawshon Raha

and Ms. Tasneem Farhat in the Department of Computer Science and Engineering and Mr. Shah Mohammad Rezwanaul Haque Shawon along with Abdullah Al Hadi in the Department of Electrical and Electronic Engineering. All the teachers were cordially welcomed in their respective departments.

Flash Mob Presentation by PU Students

A flash mob presentation by PU students

Bangladesh hosted ICC T20 World Cup and the cricket fever virtually caught the cricket lovers throughout the country. As the effect of it, the theme song of the tournament "Char Chokka Hoi Hoi" had created quite a buzz among the students of different levels across the country where

prominent educational institutions started arranging their own flash mobs set to the theme song and uploaded them on youtube. The authority of the university showed their cordial interest in the new trend. Prime University students performed in the ICC T-20 World Cup Flash Mob on the theme song

of the tournament. The choreographers and the students who performed in it believe that their version has successfully created a craze on youtube and brought a great popularity as their choreography and moves are different from the others.

Current News

We are Shocked

Mr. M. Moniruzzaman, honorable Member, Board of Governors, Prime Foundation and Member Board of Trustees, Prime University Trust passed away on the 11th July, 2014, Friday at 2:30 am in Dhaka Medical College Hospital. (Inna lillahi wa inna ilaihi roje'y'un).

All the members of Prime Foundation and Board of Trustees as well as the teachers, officers, students and employees of Prime University are shocked at his sudden demise. They pray for the peace and divine blessings for his departed soul.
